

Project Title (please insert here)

- 1. In your opinion, why do you think the publication you are planning qualifies as an Opus Magnum in the sense of the funding initiative? Are there any difficulties or counter arguments you would like to address from the outset?**

(Textfeld)

- 2. Why do you need the time requested for the proposed project to write your book? What makes you think you can complete the publication in the requested period?**

(Textfeld)

- 3. What is your publication concept? Where do you intend to publish your book (print/open access)?**
