SANDRA ZIMMERMANN

HEAD OF SCIENTIFIC DIALOGUE, WIFOR INSTITUTE

Author, lecturer, economist: Dr Sandra Zimmermann is Head of Scientific Dialogue at WifOR Institute and part of the leadership team.

Dr Zimmermann has 15 years of research experience at WifOR and advocates for a progressive, healthy, and innovative society. As a vastly experienced macroeconomist, she facilitates the transfer of knowledge from science to praxis. Furthermore, she acts as a sparring partner for each of WifOR's research areas, driving the conceptualization and development of relevant projects.

As an expert in international social policy, she has spoken at high-level events such as the [H2O Summit](#) and has regularly given interviews to major media outlets including [DeutscheWelle](#), [Tagesspiegel](#), and [ARD](#). Dr. Zimmermann is also a member of the [German Association for Social Policy Research](#) (VfS) and the [German Association for Social Science Labor Market Research](#) (SAMF).
